## **Tsunami Destroys Colorado**

You wont believe what happened in our small state of Colorado. A tsunami destroyed over **three quarters** of the state in one night! Entire cities are flattened, and according to our sources, "Not even the mountains are safe!" -Abraham Lincoln

### **What will the Zoos do?**

The zoos are having a fun time with this tsunami as well. The lions have rode the tsunami all the way across the country and now there are lions *EVERYWHERE!* We are still awaiting a statement from the president. Not related to zoos, but no one knows where the governor went! Word has it that he was eaten by a lion.
